Though all LifeProof products are tested to meet stated claims, your device can still be damaged. It is your responsibility to take reasonable precautions regarding how you use your device. Expose your device to hazards at your own risk. The LifeProof product warranty only covers the LifeProof product — it does not cover any non-LifeProof product or device, and does not provide warranty protection in all circumstances. Consult the LifeProof product warranty for full details. For maximum protection, follow all instructions regarding your LifeProof product, and never substitute or otherwise rely on a LifeProof product instead of regular backups or device insurance.

**DO NOT USE A DAMAGED LIFEPROOF PRODUCT FOR PROTECTION!**

## **WARRANTY**

All LifeProof products are backed by a limited warranty. Product warranty only covers the LifeProof product – it does not cover any non-LifeProof product or device. Otter Products, LLC together with its affiliated entities worldwide is the company responsible for providing this warranty coverage.
