

Regulatory Requirements for the following product(s):

Regulatory Model Number: LPSAN-0011-A

FCC Statement: This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help.

CE MARK: Please refer to www.lifeproof.com/safety-instructions for a European Declaration of Conformity showing the product standards that this product is in compliance with and why Otter Products, LLC is able to place the CE mark on this product.

RoHS Compliance: Please refer to www.lifeproof.com/safety-instructions for additional RoHS compliance information for this product.

WEEE: This symbol on the product and/or accompanying documents means that used electrical and electronic products should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product to a designated collection point where it will be accepted free of charge. Alternatively, in some countries you may be able to return your product to your local retailer upon purchase of an equivalent new product. Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling. Please contact your local authority for further details of your nearest designated collection point.

Warning for Regulatory Model Number LPSAN-0011-A:

- Do not expose this device to moisture or submerge in liquid.
- Store this device in a cool place.
- Do not expose this device to excessive heat or place in a fire.
- The battery pack may become warm during charging. In the event of excessive heat, swelling, or leaking, immediately discontinue and contact the manufacturer.
- This device contains no serviceable parts. Do not attempt to disassemble, modify, or repair this device.
- Do not expose this device to excessive shock or damage that may crush, deform, rupture or tear the battery.
- Dispose of this product properly and in accordance to local disposal requirements. Do not dispose in trash or fire.

Failure to follow the above warnings may result in damage to persons or property, so please follow all warnings!
